Spark Your Imagination

Issue 16 Week of 1/16/17—1/20/17

New 7 Period Day/Bell Schedule on Tuesday, January 17

Inside this Issue

New 7 Period Day Schedule	1
Cyber Bullying/FSA Prep Night	1
New Staff/Black History Month	2
Message from Media Specialist	2
Lunch Menu/Marine Science Speaker	3
ACT Schedule	3
Trident Yearbooks/PEARLS	3
FCA Fundraiser/Tutoring Schedule	4
Community Service Hours/PEF	4
FCA Clean Up Day-January 16	4
Spring Camp Fire Program	4
Hispanic Club Scholarship	5
Marine Science Learning	5
PERT & Dual Enrollment 1/17	5
Bell Schedules Main Campus/CFAA	6-7

On Tuesday, January 17, we will no longer be following the block schedule with 100 minute classes. We will return to our 7 period day and utilize a new bell schedule. Class periods will be approximately 52 minutes. We were just made aware of this mandated change by the district on Wednesday, January 11, so we are still fine-tuning all the necessary bell schedules. See Page 6 for Regular & Early Release Bell Schedule for Main-Campus and Page 7 for CFAA Bell Schedule. School will still begin at 7:00 and end at 2:00. Students will continue to have 4 minutes between classes. We are excited about the new semester and look forward to this change. Please note that Tuesday, January 17 is the first day of our 3rd quarter/2nd Semester. Please encourage your child to continue to do their very best and attend school/class every single day.

Cyber Bullying Event—Sponsored by FFA

Kathleen FFA sponsored a Cyber Bullying to all Juniors last month. Our juniors watched the movie “Cyber Bully” and had opportunity to meet Kay Panabaker, the star in the movie. All proceeds, \$275, were donated to the Megan Meier Foundation for Bullying and Cyberbullying Preventions. Thank you FFA for your service and for sponsoring the event: Mr. Carlton, Mrs. Hall, Mrs. Morse and the FFA Officers: Shelby Carlton, Jacob Yelvington, Madison Dvorak, Amanda Lawson, Blair Buchanon, Autumn Jackson, Riley Lampp, Hunter Dupre, Caitlyn Fletcher, Logan Jewell, Mikayla Myers, Hannah Scionti, Lauren Garner, Nick Lewis.

Kathleen High School—FSA Prep Parent Night

When: Tuesday February 7 @ 6:00 p.m.
 Where: The Dream Center, 635 W 5th St. Lakeland
Come out and learn how to be better prepared for the Florida State Assessment. We will cover:

- How to be a successful student.
- FSA Preparations
- Graduation requirements
- ACT/SAT information
- College and Career
- Keiser University
- Reading and Math success
- Math and Reading tutoring
- ACT Tutoring
- Parent Portal sign ups
- KHS Academies
- KHS Student Activities
- West Area Adult School

Events in January at KHS

1/16	FCA Community Clean Up Day (8:00—12:30)
1/17	Polk State Spring Dual Enrollment Registration (Main Campus) @ 8:30
1/19	Workforce MFG Tour to Manufacturer Sites in Polk
1/19—1/21	Band Symphonic Camp Auditions (Auditorium)
1/23	Polk State Spring Dual Enrollment Registration (CFAA Campus) @ 9:00
1/25	National Weather Service Presentation (Auditorium)
1/25	Powder Puff Game @ 9:00 (Football Field)

KHS Administration
 KHS Principal, Donna Drisdom
 Assistant Principal, Lia Maffett
 Assistant Principal, Tony Williams
 Assistant Principal, Mario Jenkins
 Assistant Principal, Javon Smith
 Assistant Principal, Keith Smith (CFAA)

Smile Pack Backpack Program

Attention Parents/Guardians: The Catholic Charities of Central Florida sponsors the Agape Food Bank program to help feed hungry families of Polk County. If you have a need, please contact joaquin.reyes@polk-fl.net so that we can provide a backpack full of food items for your child to bring home. Backpacks are to be returned each week so that it can be utilized again for your family or other families in our county.

Tues, Feb. 7
5:30
@ CFAA Campus

Join FCA

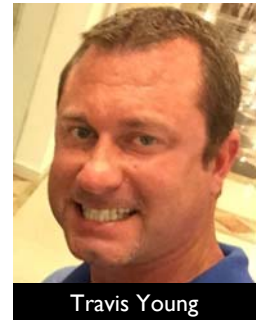

FCA huddle with Mrs. Sasser on CFAA campus every other Friday morning at 6:40 in the media center. Hope to see you there!

FCA and Coach Troutman invite you to the FCA Huddle Meetings every Thursday at 6:30 a.m. All meetings are held in 03-010, next to the Culinary Arts Room.

TO OUR NEW STAFF!

Special welcome to one of our newest staff members who joined our Social Studies Department teaching US History Honors, Mr. Travis Young. Mr. Young earned his BA in Social Studies from Southeastern University. He transferred from Victory Christian, but also taught History at Haines City and Lake Gibson. He has been a Boys Basketball coach since 1997. "I enjoy being a husband and father. Coaching and teaching has always been my passion. I also enjoy golf, working out, coaching basketball, riding motorcycles and relaxing at home by the pool. The University of Michigan is my favorite college team. (I am originally from Detroit Michigan, graduated from Brighton High in 1991). Came to Florida/paradise in 1992 and never left!! Hate cold weather and Ohio State LOL! I am very excited to join the team here at KHS. I have a lot of friends here who I have taught with in the past. I have really enjoyed the short amount of time I have spent here and hope to have a long and successful career here. Shout out to Mrs. Drisdorf for giving me the opportunity and the rest of the administration and staff for embracing me and making me feel at home," said Mr. Young.

Travis Young

What's Happening in Our Media Center? A Message from our Media Specialist

Mrs. Desandolo has set up a project center in the main media center. It is a place where students can come and work on any projects they may have for school. It is currently stocked with pencils, tape, stapler, hole punch, crayons, markers, colored pencils, highlighters, glue sticks, scissors, and rulers. She is currently looking for other craft-like items: construction paper, glitter, poster board, shoe boxes, extras of any of the already mentioned supplies, etc. If you have any questions about the project space, or what items are needed, please contact Mrs. Desandolo at Jenna.desandolo@polk-fl.net

Black History Month Essay Contest

2017 Black History Month student contests and educator awards, which will be centered around the theme, "A recognition of the African-American role in shaping Florida today." Each February, as Florida celebrates Black History Month, many of you incorporate into your lesson plans information about the significant contributions that African Americans have made to our great state. Once again, Governor Rick Scott and First Lady Ann Scott have invited all Florida students to participate in the Black History Month art and essay contests. Students in grades K-3 have a chance to win a cash prize by submitting artwork and students in grades 4-12 can earn a four-year Florida Prepaid Scholarship through the essay contest.

These prizes could transform the lives of a student in your class or school, and I hope that you will encourage all of your students to take full advantage of this opportunity to enhance their appreciation for African American History *and* prepare financially for their own future education aspirations. Additionally, students, parents, teachers and principals are invited to nominate full-time educators in elementary, middle and high schools for the Black History Month Excellence in Education Award. **The deadline for all submissions is January 20, 2017** To learn more about Florida's Black History Month celebration and contests, visit www.floridablackhistory.com.

Marine Science Classes Welcomes Guest Speaker, Todd Vreeland, owner of the FisH2O Aquarium Supply and Servicing

Mr. Vreeland has been a Tropical Fish enthusiast for most of his life. In 2008, he opened a store called Studio Aquatics in South Lakeland, a business primarily devoted to salt water fish. He expanded his operation significantly by purchasing a warehouse in Eastern Lakeland. His operation, FisH2O, now also includes freshwater fish, and an extensive contract salt water aquarium servicing group that maintains systems in the Central Florida area. Mr. Vreeland spoke to both of our Marine Science classes and shared some interesting facts with our students including:

Aquariums:

1. Most Floridians realize that the #1 export from Florida is Citrus. Very few individuals however realize that the #2 export from Florida is Tropical Fish, with 95% of these fish stocks being grown in Polk and Hillsborough Counties.
2. Recent research suggests that children who grow up with an aquarium in their home have higher SAT Scores and higher GPAs.
3. The most expensive tropical fish sold to date, at a fund raising event, was a gold colored Koi (Carp) that sold for \$ 2 Million.

Marine Life:

1. The largest, most aggressive, and fastest extremity (club) possessing shrimp is the Mantis Shrimp. <http://video.nationalgeographic.com/video/worlds-deadliest/deadliest-mantis-shrimp>
2. Shrimp that eats starfish, and feeds the same starfish being consumed to keep it alive (this shrimp won't eat dead organisms) is the Harlequin Shrimp. <https://www.youtube.com/watch?v=DgDVskPltKI>

Mr. Vreeland provided students with a handout on the Nitrogen Cycle to help students understand the how and why of water filtration required to assure healthy fish. Finally, our speaker donated a book to our school on Marine Aquariums that he said was an excellent reference and resource: ***The Coral Reef Aquarium, From Inception to Completion,*** by Tony Vargas.

2017 KHS Trident Yearbooks on Sale!

\$65.00 Preorder the 2017 KHS Trident Yearbook through January 6, 2017
Preorder it online at <https://www.yearbookordercenter.com/>

Seniors—What You Need To Know
PEF Scholarship Window Opens Late February 2017

When applying for scholarships this spring, note that a set number of community service hours or certain GPA and SAT/ACT are required depending on the scholarship for which you are applying. When a senior applies for a scholarship through PEF, the first step is keying in your student ID#. This required first step by PEF will automatically population into your application your personal info, address, GPA, Testing Scores, Community Service Hours, etc. So it is important that you get in all your community service hours documented NOW so that your scholarship application will be complete. The deadline for turning in community service hours to Mr. Harwell is February 1, 2017 if you want them to apply to PEF scholarships. PEF offers countless scholarships to our students, so get your info in ASAP.

Dual Enrollment...Tuesday, January 17th @ 8:30

If are interested in taking Dual classes during second semester and you need PERT to qualify, this is your final opportunity to

have it completed in time for on campus registration.

Polk State will be on campus January 20th to register students for the spring session—but only the students who have: Taken PERT, completed Polk State Online Application and Orientation, and registered for the class(es) in DELTA. **Remember, parents must approve (in DELTA) your class(es).**

You will be required to show proof of orientation (first time Dual Enrollment students) and verification you have registered for your course(s) in DELTA (all students).

RSVP with Mrs. Axson in Guidance. This means you must go to Guidance and sign up to take the test. Questions: dee.axson@polk-fl.net

Hispanic Club of Lakeland Scholarship

The Hispanic Club of Lakeland is offering several scholarships to seniors in Polk County.

The criteria for receiving the scholarship are as follows:

- The student must be a Polk County resident
- At least one, possibly both parents will have to be of Hispanic origin
- There must be financial need
- Must be eligible for graduation in the application year
- A minimum of a 2.25 GPA is required
- Must have two letters of recommendation from faculty members of the current school attending

The applicant must also provide a written letter with the following information:

1. Family information- How many in household, parent's profession and education levels, any other pertinent information about the family.
2. Aspirations and goals for the future.
3. Desired profession and why it was chosen.
4. Employment history, community involvement and extracurricular activities.
5. Other scholarships applied for or granted.
6. Are there any other family members who have completed or currently enrolled in college?
7. Any other information applicant would like to share with the scholarship committee.
8. An official transcript from school.
9. Candidate application letter will be addressed to:
Club Hispano de Lakeland
Attn: Scholarship Committee
P.O. Box 5593
Lakeland, FL 33807

APPLY NOW

Student applications **must be** post marked **by March 1, 2017**. **NOTE:** All scholarships will be awarded after a valid College I.D. or letter of acceptance has been provided. Scholarship funds will be mailed directly to the financial institution on behalf of the recipient.

Anchors Away for Marine Science learning!

As originally announced in Issue #9 of this Newsletter: "Can you imagine being able to add the experience of having conducted oceanographic scientific research to your resume, before you are even old enough to have a driver's license?" That is exactly what Mr. George Bartuska's Marine Science classes are preparing to do! "Mini Sail Boats" is a project based-learning experience that will provide hands-on learning, technology interface to computer modeling, and a chance to interact with Marine

Science and Oceanography professionals from the USF's

College of Marine Science and Florida Southern College's Marine Biology Program. As part of the project resources purchased from the \$3,500 STEAM grant, the four foot ocean-going Mimi-sailboat arrived this week. Unpacked in front of the 5th period Marine Science students, Mr. Bartuska quickly had the students gather round for a photo op. The Mini Sailboat will next travel to the USF's College of Marine Science where working in collaboration with the Engineering Department, additional instrumentation will be added including real electronic instrumentation and authentic floating data acquisition devices necessary to conduct measurement science in actual ocean environments. Soon, students will travel to the USF Marine Sciences Laboratory to tour the facility, interact with real Marine Scientists, Oceanographers, and Numerical Modelers, and learn how to program the Mini Sailboat's GPS and wireless technology
