KHS Inspires Rotary Club

Aris Garcia, Jared Tollar, Ryan Collins and Monica Rodriguez

On Friday, Aris Garcia, Jared Tollar, Ryan Collins and Monica Rodriguez competed in the Rotary Club's Speech contest. "Each of the speakers did an amazing job and I was so proud to witness these individuals step out of their comfort zones and do something that not many students, or adults for that matter, are willing to do. Our own Ryan Collins even won 2nd place and earned himself \$50," said Mrs. Guley.

Pasta for Pennies Presented by Olive Garden is a service learning, character education and philanthropy program that gives students a unique experience by making a difference through teamwork—working together to aid thousands of children and adults in the fight against blood cancers like leukemia. Since the campaign's inception, Olive Garden's Pasta For Pennies has raised more than \$31 million, thanks to the efforts of students, parents, teachers and school administrators across the nation. Deputy Baggett and the Criminal Justice Academy are facilitating the service-learning program. The class with the largest contribution will receive a luncheon sponsored by Olive Garden.

Cheerleading

by Adrien Bryant and Kayla Archer

Cheerleading is a national sport worldwide that consists of girls and/or boys that do stunt sequences, jumps, tumbling, and dancing. It takes hard work, dedication, concentration, and overall cheer spirit in order to compete and get the routines down. Adrien Bryant and Kiara Rose were the captains this year. According to Adrien, this opportunity has allowed her to take on responsibilities that are new to her, such as creating routines and making sure they have the right music. One of their main goals this year was to get along better which they did through team bonding exercises. Adrien says that this year was a success because, “No one has put in more time and effort into this team than Kiara Rose, my right hand partner.” Both put leadership skills to use through communication and motivation, with the intentions to leave a positive impact on the girls. “We want everyone to feel like they can become a cheerleader,” Adrien commented. It only pushes them more when they get support from one of their sponsors such when Publix donated \$250 for uniforms. Adrien says overall it’s been fun, but sometimes, it can get stressful. Cheerleading can either make or break you, and it is a very dangerous sport. Lifting girls above your head and doing stunts take a lot of energy, and lack of strength and endurance can easily get you hurt. However, cheerleading can be a fun experience when it comes to being a part of a team and getting a 1st place trophy.

CFAA Tour Pepperidge Farms

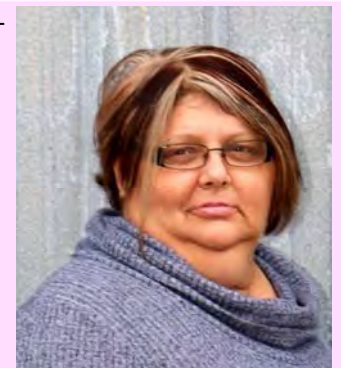

Last week 20 Engineering Students from CFAA toured the Pepperidge Farms facility here in Lakeland. Our students learned about the manufacturing process, finance, transportation, distribution, safety, maintenance and personnel. "The students had the opportunity to speak to and share lunch with the plant manager and all of the department heads. We appreciate their hospitality and look forward to being able to very their facilities again in the future," said Mr. Bresler.

Staff Spotlight by Deanna Foster

Mrs. Penny Thomas, known to most as Mrs. Penny, is a formerly a stay-at-home-mother whose dream job was to be a truck driver. But she loves her current occupation, the attendance secretary at KHS. Mrs. Penny has been at KHS for nine years and loves working with kids and helping the students that need her to be their champion. Mrs. Penny has been inspired by students like the one that went and got his diploma after he dropped out. She had kept talking about it to him and telling him, "I believe in you! and then he went and did it." Though KHS is the only school that she has worked at, she has volunteered at Kathleen Elementary and Middle School in the past while her children attended there.

The Powder Puff Game

By Alexis Davis and Azusena Rodriguez

On January 25, 2017, the Sports Medicine Academy hosted a Powder Puff Game. The girls of Kathleen took on the girls of the Sports Medicine with the Pride of Kathleen adding their musical flair. According to the Ambassador of Sports Medicine, Jacob Philippi, "the event was on the calendar all year, but it only took a few months to plan." It was a friendly game between two teams of KHS students. As the teams played, the cheerleaders and band helped to keep the crowd energized even when the game was over. All in all, the Powder Puff game was a success.

After School 2nd Quarter Grade Recovery Program

We are very excited to let you know that we have just received approval and funding for an after school 2nd Quarter Credit Recovery Program from Title One! We will run the program in the Main Media Center and it will be open till 5:00 p.m. to allow students to have a place to work on credit recovery work and on their current 3rd quarter assignments to avoid being in the same position next quarter.

Teachers can send their credit recovery packet to Title One and the tutors will make copies for the students who come to after school credit recovery. We will collect the assignments and return the assignments for the teachers to grade. Teachers who want their students to just make up missing assignments from their gradebook also don't have to do anything except tell the Title One tutors and the missing assignments report will be provided to any and all students who show up for after school credit recovery.

Our program after school is also not just for credit recovery. We will give students a place to work on their school work while they re waiting for their ride home, practice and/or any sports event.

Parents, please encourage your child to come to the main media center any day from 2:00—5:00 for 2nd Quarter Recovery. We will be glad to help all students who attend.

Trident Crew Fundraisers

Show that special person in your life how much they mean to you by buying a Valentine's Day Candy Gram from a member of the Trident Crew. For \$1 to \$2 bucks, you can choose to have a bag of candy delivered with a special note (love or friendship notes will be available) letting them know you care. Small Bags \$1 and Large Bags \$2. See a Trident Crew Member between February 6th and 10th to order! This includes the CFAA campus. Will be delivered on February 14 during 6th & 7th periods.

The Trident Crew also recycles as a fundraiser used Printer Ink cartridges. If you are on main campus, they can either be delivered to my room (16-006), dropped in the box in the mailroom, or emailed for pickup by a member. At CFAA, there is a crate in the mailroom or they can be given to one of the Trident Crew members from CFAA (Israa, Jamison, and Slade). Thank you for your support!

Staff Spotlight

Ali Abdullah

By Joe Orivida & Seth Wenning

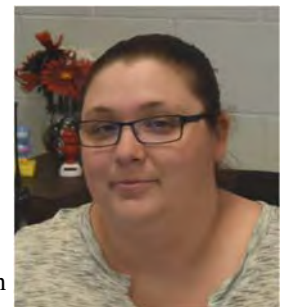

Ali Abdullah, an English teacher, has been teaching at Kathleen High School for over a decade. He started teaching at Kathleen in 2002 but he started teaching in 1999 in Ohio. When he was 25, he needed a job to support his growing family and that's how he got into teaching. Kathleen High School was the first to respond to his application and eventually was accepted.

He graduated from the University of Akron in Ohio where he studied English. His goals were and still are to be a writer. One day, he *wants* to accomplish his dreams and write novels for a living. Even though teaching wasn't his dream, he surprisingly enjoys working with students and continues working as a teacher. Life is full of surprises, Mr. Abdullah made the most out of his experience.

Elana Brooks

By Sheyanne Robinson & Chakayla Hudson

Elena Brooks is a KHS alumna who has actually worked at Kathleen for the past two years as a Secretary. She says her favorite part about being a secretary is she gets to help out students. She said if she didn't already work at Kathleen she might have been a Computer Software Engineer or gotten more involved in her favorite high school subject, Criminal Justice. Miss Brooks has a 6 year old son and she has plans on working at Kathleen for a couple more years alongside her mother, Mrs. Penny Thomas. Her favorite music is country music; that's the south in her. Hopefully, she's here for more years to come, bringing her sunny personality wherever she goes.
