Issue 33 Week of 5/22/17—5/26/17

The Spark

Ag Students Heading up the Hill

On May 1, 4:30 am, a few of our Ag students traveled to Tallahassee for an adventure—Ag on the Hill. Nick Lewis, Madison Dvorak, Madyson Keim, and LeAnn Reese represented KHS and our FFA Chapter. “Students were advocates for Agriculture Education and KHS. Students had the opportunity to visit the capitol building, observe the Senate and the House floors and participate in a tour of the Governor’s mansion. While at the mansion, students had the privilege of donating a copy our FFA History book to the Governor’s collection and to listen to several aids and lobbyists speak about their personal careers and education paths. It was a very educational and exciting day,” said Mrs. Morse.

Inner-Persona or Exciting Masquerade

“Students in ceramics learned about the history of Masks and their many uses in ceremonies, rituals ornamentation, protection and theater. They really had a creative experience putting their own imagination to work,” said Mr. Dragon.
