

Dedication Grows Success

This past week Kathleen FFA has been very busy preparing to compete October 22-26 at the National FFA Convention in Indianapolis, Indiana. The two teams going are competing in the National Parliamentary Procedure Contest and the National Nursery and Landscape Contest. Both teams are already hard at work to hopefully win a competition that some of them have been working four years for.

We are so proud of both teams and wish them the best of luck.

Trident Crew—Shout Out

The KHS Trident Crew would like to send a big thank you out to Jarvis Washington and his crew at InstaLoan here in Lakeland. They donated a large number of used printer cartridges to the Trident Crew's summer camp fundraiser. Every summer, the Trident Crew takes the leadership team to the Florida Hotel and Conference Center in Orlando for a training camp where they learn real world skills in photography, design, writing, and management in preparation for creating the next year's book. Thanks to their hardwork throughout the 2016-2017 year with fundraiser and donations from wonderful community members, the Trident Crew was able to six students this past summer and are already planning to try and bump that number up to eight for this year. Again, thank you to Mr. Washington and InstaLoan for help making this possible.
