**American Freedom and Rule of Law**

**United States Public Law** requires that public educational institutions receiving federal funds teach about the Constitution annually in September. **Florida Law** requires public school districts to commemorate the founding principles of our nation during the last full week of September (9/25-9/29). Mrs. Pearson's AP United States History students will be holding two "meeting of the minds". They will be representing individuals from the time period to discuss two major issues. The Revolutionary time period (patriots and loyalists) to debate declaring independence from England and what the Declaration of Independence should include. The second will be at the Constitutional Convention with federalists and anti-federalists debating ratifying the proposed Constitution.

# Free SAT

## Free November SAT Registration and CSS Profile Fee Waiver for Hurricane Irma-Impacted Students

To support students and families affected by Hurricane Irma, the College Board will offer a free November SAT registration and a CSS Profile fee waiver.

We understand this is a difficult time for those who are struggling as a result of the storm. We hope this measure can ease some worry for students and ensure their college-going plans are minimally affected during storm recovery efforts.

The free November SAT registration and CSS Profile fee waiver are for students who are experiencing hardship and/or displacement due to the hurricane and are in an area designated by FEMA. Please scroll down for the list of FEMA counties.

- Students who are registered for the November SAT should call Customer Service to receive a refund of their registration and late fee. Students can register and contact Customer Service through October 25. To reach Customer Service, please call 866-756-7346.

For the CSS Profile fee waiver, students should go to [cssprofile.org](http://cssprofile.org), complete their application, and the system will automatically apply eligibility rules. To reach CSS Profile Customer Service, please call 844-202-0524.

## “The antagonist opposes the protagonist.” Analyzing Characters

Mrs. Sasser's English II Honors students are learning to analyze how complex characters develop and interact with other characters over the course of a text through their reading of Elie Wiesel's memoir Night. The work presents his firsthand account of his experiences as a young Jewish boy during WWII and the Holocaust. Students created

Identity Maps for themselves prior to the start of the book and reflected on how their experiences in life have shaped them as a person. These Identity Maps became the anchor for our Night classroom display.
