Principal Joe's Message

Good morning!

As we enter our student's last grading period, please continue to make contact with parents, keeping them updated of their child's grades and status. We need to have this supporting documentation on hand when we hold our parent conferences. Seniors have a short time left before the graduation ceremony. If you have a senior currently failing your class, it is imperative that you please inform administration, their guidance counselor, and parents ASAP. We want to encourage all our students to finish out the year strong. Thank you for all the positive things you are doing at KHS.

Special Thank You Shout Outs!!!

To our entire student body for demonstrating a positive dedication in memoriam of the 17 victims at Marjory Stoneman Douglas HS who lost their lives last month.

To our entire staff for everything you do each and every day to make our school a great place to come to! 😊😊😊

Saturday Boost Academies

April 14, April 21
