

## Scholarship Information & Scholarship Bulletin Below

- Students, it is a known fact that searching and applying for scholarships takes time. So if you want money to help pay for college or vocational-technical school, then be prepared to do the work. Individuals and organizations who give away free money are not just going to hand it over, you have to work for it.
- There are many success stories of students who have gotten their college or vocational-technical school education either partially or fully paid for through scholarships. There are no limits on how many scholarships you can apply for. Simply, the more scholarships you apply for, the better.
- Below, look at the following suggested websites to search and apply for scholarships:
